Fitting and Care Instructions - Pro Ankle 71

Model: DCT-1971

Instructions for putting on brace

Step 1: Open all the straps on the brace and slide the injured ankle into the brace.

Step 2: Place the foot of the injured ankle on top of the bottom footplate, then secure the top of the foot to the brace with the strap.

Step 3: Locate the middle strap, feed it through the D-ring on the opposite side, and attach it to the desired level of support. Note: The length of this strap can be adjusted by shortening or lengthening the strap on the underside.

Step 4: Locate the top strap, feed it through the D-ring on the opposite side, and attach it to the desired support. Note: The length of this strap can be adjusted by shortening or lengthening the strap on the underside.

Care Instructions: Hand wash with light detergent and let air dry.

Warranty Information: 6 Month Warranty against any manufacturing defects.

Sizing: SM/MED, LG/XLG
